SCC-3000

Oversized Event Card Printer

The versatile, affordable SCC-3000 Oversized Event Card Printer lets you print high-quality, 300 dpi oversized cards and passes for events of any size. It utilizes the latest media technology to display the true color and saturation of an image. In addition to high-quality color prints, it prints very fast – about 12 seconds per color card side!

The SCC-3000 also prints highly water- and tear-resistant oversized cards with true edge-to-edge coverage, eliminating white borders and the need for any production preprinting. Applications include event passes and ID cards for sporting events, tradeshows, concerts, clubs, school festivals, VIP passes and much more!

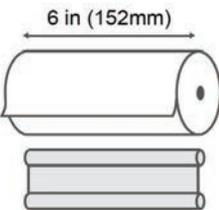

Features

- Very competitive card costs
- Print speed of about 12 seconds
- True edge-to-edge printing
- Optional media types to enhance security
- Can be punched and worn without a holder
- No pre-printing required*
